

TEMPEST Level I, Level II and Zone HP® 2025n Color LaserJet® Printer

Product Data

Model - DPT-112 (Level I), DPL-112 (Level II) and DPZ-112 (Zone A)

Description

Enjoy color printing without sacrificing speed with API's TEMPEST version of the HP Color LaserJet CP2025 Printer. Get your output and return to work quickly with fast black and color print speeds of up to 21 pages per minute (ppm) on letter-size paper. Start fast and finish sooner with this compact, yet powerful printer that features a 540MHz processor. Typical office print job time to completion can be nearly three times faster with Instant-on Technology. Avoid interruptions and increase productivity with proactive printer management. HP ToolboxFX provides easy access to printer settings, status information, the user guide, and self-help and troubleshooting tips. In addition to a local USB direct connection you can easily share the printer and efficiently utilize resources with the Fast Ethernet fiber networking option. With HP ColorSphere toner, immediately see the difference in your documents with sharper text and graphics and vibrant, attention-grabbing color. Count on consistently outstanding color with the printer's HP ImageREt technology; it's the difference between color that looks good, and color that looks exceptional.

Available in both US (110v) and international (220v) models.
